

Please Pray for

- Today is Racial Justice Sunday: Loving God, we are all wonderfully made in your image. Help your world to see you in each face, to see that each person has value, each person has a heart, each person has a name. We thank you for all your people who work tirelessly to bring racism to an end.
- PRAY for The Diocese of Sebei (Uganda), The Rt Reverend Augustine Arupyona Salimo.
- Pray for wisdom, and for the troubled world in which we live: for a reduction in violence; for peace and understanding in Syria; for refugees, for our armed forces and those who work in defence.
- We give thanks for our Community and we pray for all those who live in Gablefields
- We pray for all who are need of prayers: Beatrice Terry, Wilhelmina Tillman, Clare, Coral, Helen, Ray, Shirley Cartwright, Barbara Parish.
- Those whose anniversary of death falls at this time

Poem about Family

A Family is like a circle
the connection never ends
and even if at times it breaks
in time it always mends
a family is like the stars
somehow there always their
families are those who help
who support and always care
A Family is like a book
the endings never clear
but through the pages of the book
their love is always near
A family is many things
with endless words that show
who they are and what they do
and how they teach you so you know
but don't be weary if it's broken
or if through time its been so worn
families are like that-
they're split up and always torn
but even if this happens
your family will always be
they help define just who you are
and will be a part of you eternally
